

1. Confirmation:

You guys are officially registered for the free live masterclass this Sunday at 7PM AEST.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

You can grab the Landlord Proposal in the description as well.

2. Lead Magnet:

Your free gift is ready by the way guys.

The Landlord Proposal is pinned in the description right now.

3. Unique Mechanism:

I want you guys to know the best approach to making the most of your life instead of going down the typical route.

Traditional real estate is engineered for the banks, not the public.

“AirBnB Arbitrage” takes advantage of a crack in the system for regular people.

I'll break down how this whole thing works inside the free live masterclass.

4. Narrative:

I walked away from everything that was lined up for me, spent years chasing my tail, and lost large sums of money along the way.

Let me give you guys some context real quick.

The turning point was ditching the idea that ownership was necessary for earning.

I doubled down on arbitraging the relationship between landlords and guests.

I'm now running twenty cash-flowing properties that make me over \$100,000 per month.

The free live masterclass is going to be an absolute banger.

5. Future Pacing:

I want you guys to imagine checking your phone for a second.

You see that somebody's booked a stay at your place for a long weekend.

The guest covered the landlord's rent for the rest of the month.

All of the other bookings are going to be pure profit.

This is what "AirBnB Arbitrage" is all about.

The only difference between you and I is the approach that we're taking to making the most of our lives instead of going down the typical route.

I'm putting you onto this inside of the free live masterclass.

6. Sneak Peek:

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to locate the landlord that you're renting from.

The second is how to attract the guests that you're renting to.

The third is how to scale this beyond yourself.

There's going to be a Q&A too for the ones that stick around until the end.

7. Objection Handling:

I hope you guys are fine with me reading your minds real quick.

Is ninety minutes really enough to learn it all? I've stripped this down to what actually moves the needle.

Isn't this all available on YouTube anyway? The whole point is to hand you the full picture rather than scattered pieces of it.

Will it turn into one long sales pitch? I'm teaching everything whether you work with me or not.

What if I can't make it live? Being there in person really helps for interaction.

I'll get into everything else inside the free live masterclass.

8. Addressing:

You guys have been asking me why the free live masterclass is free of charge.

The simple answer is that I have the choice between doing it myself and helping others as opposed to doing it myself or helping others.

I'm a player and a coach at the end of the day.

I also get to learn from everybody who gets results afterwards.

This is pretty much what's in it for me.

9. Reminder / Recap:

Today is the day people.

I'll be going live at 7:00 PM AEST and walking through the three pillars then doing a Q&A towards the end.

It's so clear and concise that you should be set after only an hour and a half.

Just make sure that you join from your laptop in a quiet room if you want to get the most bang for your buck.

I'm going to pin the link in the description and send it through a little later.

10. Reminder / Conviction Building:

The free live masterclass is going to be rolling within the next hour.

Someone in the exact same spot as you is about to get all the sauce.

The only difference between you and them is that they actually showed up for it.

Just remember that I'm running a Q&A at the end too.

You don't want to be one of those people who register but don't attend.

The link is pinned in the description but you can also get it here: [LINK]

11. Reminder:

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.

Here's the link for it or check what's pinned in the description: [LINK]

12. Reminder:

You guys have still got time to hop inside the free live masterclass.

I'm only wrapping up the introduction and getting into the first pillar right now.

The real value is about to start though.
