

A1. Nudge:

SL: You don't want to sleep on this

PV: N/A

Hey {first_name},

Thanks for showing up to the free live masterclass earlier.

If you've already scheduled your discovery call, then feel free to ignore this.

If you haven't yet, then this is your nudge to do it.

The excitement will be gone by the weekend, because the value you've just gotten has a shelf life to it.

You can get started with that right here: [LINK]

I'm looking forward to it.

- Amare

P.S. We're going to map out your situation and come up with a game plan.

A2. Case Study:

SL: He paid it all off over a long weekend.

PV: N/A

Hey {first_name},

Let me tell you about one of my students.

He got a landlord to agree to him renting out their property in record times.

He got a guest to book a stay for a long weekend soon afterwards.

His rent was covered for the whole month and the following bookings were pure profit.

The only thing standing between him and yourself is the decision to make a change.

You can schedule your discovery call right here: [LINK]

I'm looking forward to it.

A3. Recap:

SL: BnB Wealth Academy in a nutshell

PV: N/A

Hey {first_name},

You showed up to the free live masterclass.

This means that you got access to an offer I'm not making in the same way anywhere else.

I'm talking about *BnB Wealth Academy* of course:

- One-on-one coaching calls where I'll hold your hand the entire way
- One-on-one access that you can use to take advantage of my knowhow
- Group coaching calls where I'll be explaining concepts and answering questions
- Course content that teaches absolutely everything
- A community of others cash-flowing on their first properties.

There are also a ton of other bonuses that I'm not even mentioning right now like the *Landlord Proposal*.

The only setback will be remaining stuck where you are forever.

N1. Nudge:

SL: Here's the replay

PV: N/A

Hey {first_name},

It looks like you couldn't make it to the [free live masterclass](#).

I'll get you right with the replay though: [LINK]

This won't be up forever so give it a watch while you still can.

Let me know what you think.

N2. Recap:

SL: I'm giving you one last chance

PV: N/A

Hey {first_name},

Let me summarize the free live masterclass for you real quick...

My whole approach to making the most of your life instead of going down the typical route can be boiled down to ownership versus arbitrage.

Traditional real estate is engineered to serve the banks, not the public.

It requires a deposit upfront, loan servicing every single month, and tying yourself down.

This means that you never have a chance, end up working for the bank rather than yourself, and have success delayed by decades.

“AirBnB Arbitrage” takes advantage of a crack in the system for regular people.

It only asks for a furnishing budget upfront, pays itself off every single month, and isn't associated with bureaucracy.

This means that you can begin today, experience a snowball effect, and have success now as opposed to retirement.

I've covered absolutely everything around this throughout the free live masterclass.

I'm only keeping the replay up for a little longer.

N3. Pressure:

SL: It's your move next

PV: N/A

Hey {first_name},

Let me remind you why you registered for the free live masterclass in the first place.

You wanted to run your first cash-flowing property in the next ninety days using “AirBnB Arbitrage.”

This is without a deposit upfront, monthly loan servicing, or tying yourself down.

I'm about to take down the replay: [LINK]

Let me know what you think.
