### **3. Unique Mechanism:**

**SL:** How does this even work?

**PV:** N/A

Hey {first\_name},

I want everybody that's registered for the free live masterclass to understand the best approach to making the most of their lives instead of going down the typical route.

**I'll make it simple for you...**

Traditional real estate is engineered to serve the banks, not the public.

It requires a deposit upfront, loan servicing every single month, and tying yourself down.

This means that you never have a chance, end up working for the bank rather than yourself, and have success delayed by decades.

"AirBnB Arbitrage" takes advantage of a crack in the system for regular people.

It only asks for a furnishing budget upfront, pays itself off every single month, and isn't associated with bureaucracy.

This means that you can begin today, experience a snowball effect, and have success now as opposed to retirement.

**It's all about shifting from one to the other.**

The free live masterclass will teach you to run your first cash-flowing property in the next ninety days using "AirBnB Arbitrage."

See you there.

- Amare

#### **4. Narrative:**

**SL:** Made it out the mud

**PV:** N/A

Hey {first\_name},

**I walked away from everything that was lined up for me, spent years chasing my tail, and got scammed for large sums of money.**

The turning point was ditching the idea that ownership was necessary for earning.

I doubled down on arbitraging the relationship between landlords and guests.

**I'm now running twenty cash-flowing properties that make me over \$100,000 per month.**

I'll be revealing how you can do the exact same thing on the *26th of July*.

The ninety minutes that you spend on that free live masterclass could genuinely change the trajectory of your life.

See you there.

- Amare

## **5. Future Pacing:**

**SL:** This makes all the difference

**PV:** N/A

Hey {first\_name},

**Imagine checking your phone for a second.**

You see that somebody's booked a stay at your place for a long weekend.

The guest covered the landlord's rent for the rest of the month.

All of the other bookings are going to be pure profit.

**This is literally the life that "AirBnB Arbitrage" has created for me.**

The only difference between you and I is the approach that we're taking to making the most of our lives instead of going down the typical route.

I'm giving you an opportunity to follow my path on the *26th of July*.

See you there.

- Amare

## **6. Sneak Peek:**

**SL:** I'll let you in on a little secret

**PV:** N/A

Hey {first\_name},

Everybody's been asking what I'm going to cover on the free live masterclass.

### **Here's a sneak peek into the three pillars...**

The first pillar is how to locate the landlord that you're renting from.

It all starts with getting the owner of the property to say yes.

The second pillar is how to attract the guests that you're renting to.

This is where the cash-flow of the property occurs.

The third pillar is how to scale this beyond yourself.

There is a protocol that you must follow in order to really take charge here.

You will ultimately be learning to run your first cash-flowing property in the next ninety days using "AirBnB Arbitrage."

**The cherry on top will be a Q&A for the ones that stay until the end.**

See you there.

- Amare

## **7. Objection Handling:**

**SL:** Your prayers have been answered

**PV:** N/A

Hey {first\_name},

I'm getting a lot of questions about the free live masterclass.

**Let me speak into some of the big ones...**

You might think that ninety minutes isn't enough to learn it all.

The thing is that I've stripped this down to what actually moves the needle.

You might think that this is all available on YouTube anyway.

The whole point of this is to hand you the full picture rather than scattered pieces of it.

You might think that it'll turn into one long sales pitch.

The reality is that I'm teaching everything whether you work with me or not.

You might think that you'll miss out if you can't make it live.

The truth is that being there in person really helps for interaction.

**I can guarantee that you'll walk away with more than you had to begin with either way.**

See you there.

- Amare

## **8. Addressing:**

**SL:** Why am I making this free of charge?

**PV:** N/A

Hey {first\_name},

**I'm just going to be straight with you because I get asked this all the time.**

The simple answer is that I have the choice between doing it myself and helping others as opposed to doing it myself or helping others.

**I'm a player and a coach at the end of the day.**

It also gives me the chance to learn from everybody who gets results afterwards.

See you there.

- Amare

## **9. Reminder / Recap:**

**SL:** It's game time

**PV:** N/A

Hey {first\_name},

The day has finally arrived.

I'm going live at *7:00 PM AEST*.

**Here's what I'll be covering tonight...**

- How to locate the landlord that you're renting from.
- How to attract the guests that you're renting to.
- How to scale this beyond yourself.

I'll do a Q&A for everybody that stays until the end.

**I've simplified everything so that you're ready to go within the span of ninety minutes.**

Would running your first cash-flowing property in the next ninety days using "AirBnB Arbitrage" be worth that?

- Amare

P.S. Join from your laptop in a quiet room for the best experience.

## **10. Reminder / Conviction Building:**

**SL:** One hour left

**PV:** N/A

Hey {first\_name},

**They won't be any more competent or capable than you.**

The only difference is that they decided to show up to the free live masterclass.

I'll be going live in just sixty minutes and walking through everything with you.

There will also be a Q&A going down towards the end.

**Most of the people that registered for it won't even show up, because they've told themselves that they can check it out another time, but they can't.**

See you soon.
